Health Risk Assessment questions

At Prestige Health Choice (Prestige), we know that health is more than what happens at your doctor's office. We would like to ask you some questions about your everyday needs. Based on your answers, someone from Prestige may contact you to discuss resources in your community. This information is private and protected like all of your health information, and all questions are optional.

1. Can you tell me the last grade you finished in school?
 - No high school.
 - Some high school.
 - High school graduate.
 - GED or high school equivalency.
 - Finished vocational or trade program.
 - Some college.
 - College.
 - Graduate or higher.
 - I choose not to answer this question.

2. It can be challenging to understand when people at the doctor's office talk to you about your health. Do you ever get confused answering or asking questions about your health at appointments?
 - Yes. Please check all that apply:
 - Understanding my doctor's instructions.
 - Reading my doctor's instructions.
 - Understanding how to take medications.
 - Understanding medical terms.
 - Understanding lab results and test results.
 - Other: _____
 - No.
 - I choose not to answer this question.

3. Sometimes it can be challenging to get transportation for your everyday needs. Have you had trouble getting rides for your health needs in the past four weeks? This can be a ride to the doctor or to get your medicine. What about going to the food store or to work? (Select all that apply).
 - Yes, I have had trouble getting to the doctor or getting my medicine.
 - Yes, I have had trouble getting other places I need to go.
 - No.
 - I choose not to answer this question.

4. It can be stressful to have trouble with paying bills and getting everyday things that you need. Over the past year, have you had trouble with any of the following items:
- a. Getting food for your family regularly?
