Subject: Target pharmacy no longer in Prestige pharmacy network.

As of July 20, 2016, Target pharmacy will no longer be in the Prestige Health Choice (Prestige) pharmacy network. If you currently direct members to Target to fill their prescription medications, you will need to pick a new pharmacy.

Prestige has a large network of pharmacies in Florida. To find a pharmacy, you can access our online provider directory at **www.prestigehealthchoice.com** or call **1-855-371-3963** to find a participating pharmacy in Florida that is close to your location. We are confident these other pharmacies in the network will provide members with great service.

We regret any inconvenience this change may cause. Members with prescriptions currently filled by Target can continue to have prescriptions filled there for at least sixty (60) days from the effective date noted above.

If you would like more information or have any questions, please call WellDyneRx at **1-855-371-3963**. WellDyneRx is the pharmacy benefit manager for Prestige.

Sincerely,

Holly Neal Moreau, Pharm.D.
